Shaadi Mein Zaroor Aana hd 1080p hindi has been given mostly positive reviews from the critics with the film being praised for its storyline, performances, music, screenplay and direction. Priya Joshi from "The Times of India" gave the film three stars and wrote that, "Shaadi Mein Zaroor Aana leaves you with a feeling that life is much more than what meets the eyes." "Aakriti" termed it as a 'feel good' film and noted that the lead pair stole the show. Saibal Chatterjee from NDTV gave it three out of five stars and wrote, "'Shaadi Mein Zaroor Aana' is not up there with the best of its genre but it's still watchable for its light-hearted romance. The only drawback maybe some maybe too many crushes for Siddharth Jain. In other words, too many characters - besides his guardian angel, Hetal - fighting for his undivided attention. But the film gets by on its charm." Naugtya Bhave from Rediff.com gave it 3 stars and wrote, "The movie is a peppy romantic drama that leaves you smiling at the end of it." Madhureeta Mukherjee from The Indian Express also gave a three-star rating and she mentioned that "Shaadi Mein Zaroor Aana has a wafer thin plot but makes up for the lack of novelty with good performances and peppy music".
